EDF ENERGY

Umbrella were appointed to undertake the full furniture package supported BDG Architecture on furniture solutions and finishes specification.

Umbrella sourced, ordered, delivered and installed all loose furniture, and installed bespoke bench tables to restaurant and built in locker storage system.

We supplied the GO height adjustable desking system, EDF Energy elected to specify the crank version on end of bench positions and set and forget on the remainder to offer 20% height adjustability by the user.

As part of our customer service Wagstaff Project Managers attended bi-weekly on-site, progress meetings reporting on project progress and items for client and design team consideration.

Snagging period was four weeks.
